

# ANNOUNCING QUOTES DIRECT ON YOUR MOBILE DEVICE!!

With mobile technology on the rise, we have implemented a mobile quoting option designed to increase productivity and close more sales by simplifying and speeding up the price quoting/proposal process for Agents on the go.

COMPLETE QUOTES ON  
THE SPOT ANYWHERE FROM  
YOUR MOBILE DEVICE!

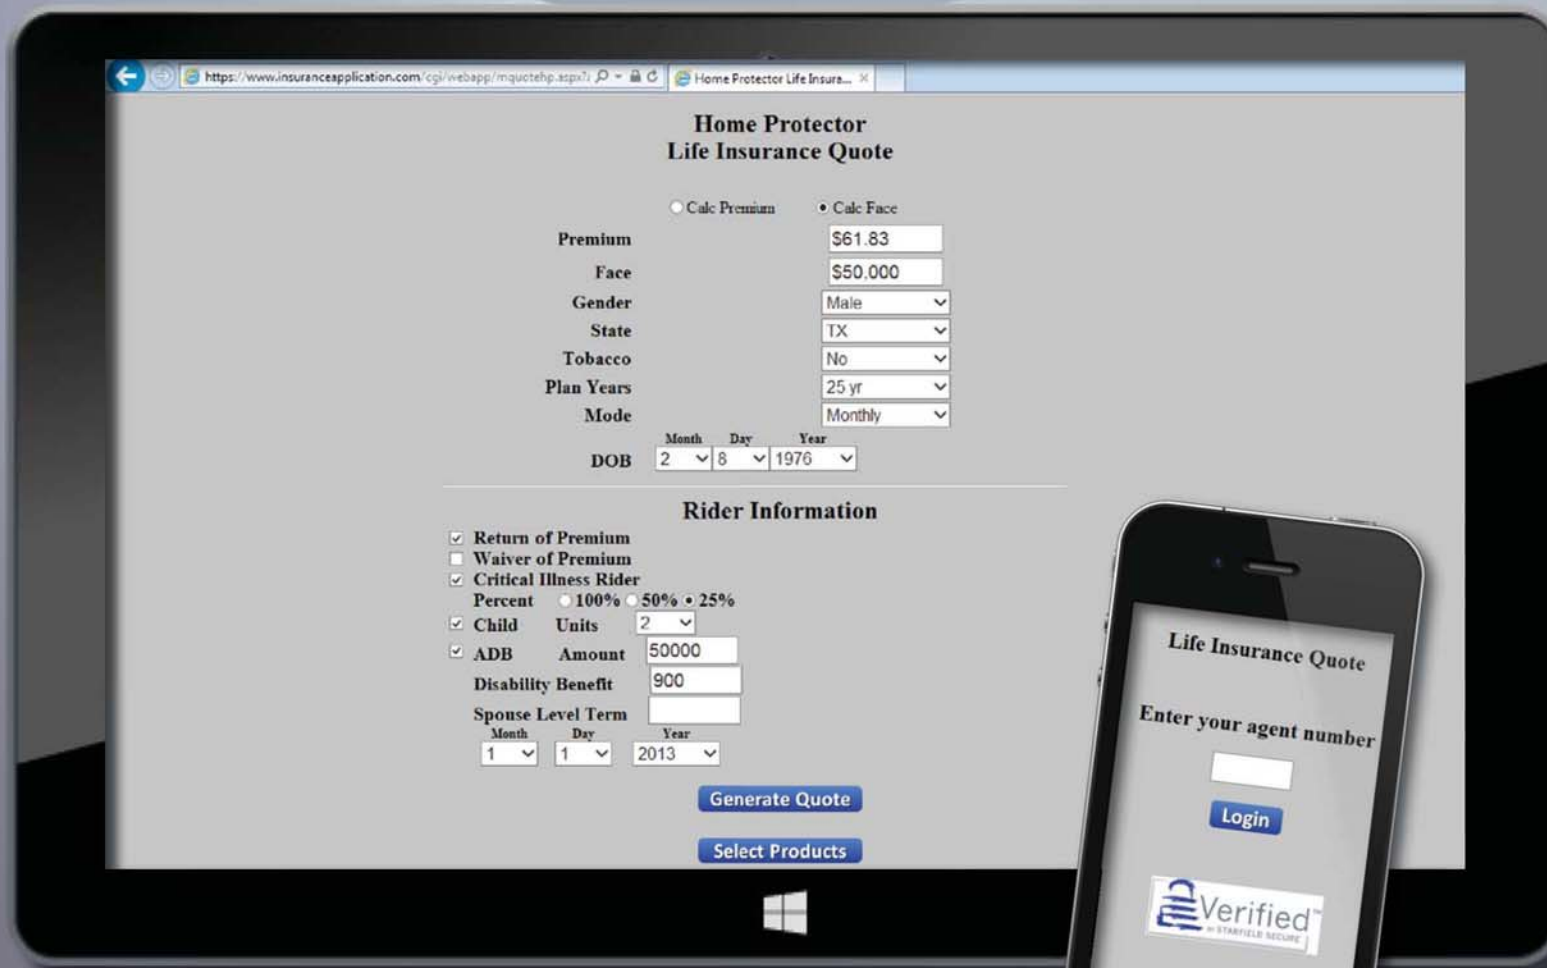

No need to download  
software or updates.

Access the website  
using your iPad,  
iPhone, Android  
Smartphone or  
tablet at any time  
via your data  
service provider or  
Wi-Fi internet  
connection.

The Home Protector  
Mortgage Term product  
is available now!

Additional products will  
be released over the  
coming weeks.

For added support,  
we have also created  
a "Phone Quote  
Tutorial" available on  
the Marketing Sales  
website under the  
Agent Training tab.

To get started, just go to -  
<https://www.insuranceapplication.com/PhoneQuote>  
Enter your agent number to log in. It's as easy as that!
