Due to popular demand and true to our word...NWL® will re-introduce the NWL Protector One®, NWL Accumulator Five®, and NWL Prevail Seven® prior to the end of January!

This is exciting news for NWL® and our many agents who have patiently waited as the new policy forms were filed for state approval. The projected date NWL® will again be able to accept the NWL Protector One®, NWL Accumulator Five®, and NWL Prevail Seven® applications is January 27th based on state approval and system readiness.

The states currently approved and system ready are:

Alabama	North Carolina
Arkansas	North Dakota
Washington DC	Oklahoma
Georgia	Rhode Island
Iowa	South Dakota
Kansas	Tennessee
Michigan	West Virginia
Nebraska	Wisconsin
New Mexico	Wyoming

Hopefully there will be more states available by January 27th.
