

# Marketing Materials for Accelerated Benefit Riders: AG Asset Protector<sup>SM</sup>: Accelerated Access Solution<sup>SM</sup> + Lifestyle Income Solution<sup>SM</sup>

Live longer, retire stronger with life insurance you don't have to die to use. In addition to the valuable protection guarantees that AG Secure Lifetime GUL<sup>®</sup> II provides for your family, you can also help protect against unexpected healthcare costs and outliving your retirement income with our accelerated benefit riders.

AG Asset Protector<sup>SM</sup>, available on AG Secure Lifetime GUL II policies, provides a unique package of living benefits that allow access death benefits while living. The AG Asset Protector product suite includes two riders: the Accelerated Access Solution which allows income tax free access to death benefits if diagnosed with a chronic illness, plus the Lifestyle Income Solution<sup>SM</sup> which allows access to your death benefit for any reason after age 85.
